AT HOTEL WIESLER & THE WEITZER

The Weitzer combines tradition and contemporary hospitality to bring you a refreshing new style. Whether you're celebrating your wedding in a closely knit or large group – the leading hotel in the city offers stylish rooms and culinary delights.

At Hotel Wiesler, you can immerse yourself in a world somewhere in-between soul and art nouveau, without forgetting the here and now. You can dance in Salon Frühling in front of a mosaic by the artist Leopold Forstner and enjoy a cocktail at the bar of the Speisesaal with a view of the mural by street-art artist Josef Wurm. A mix as exciting as your life together.
